=> **Julie Turck:**

1. *The Lord's Call to His Warriors - Judges 6&7 The Lord called Gideon, Tribe of Manasseh. (Manasseh associated with Cheshvan.) We are moving from threshing floor to winepress for that New Wine to be released in us.*

### Gideon as a Leader/Warrior

1. He did not let fear stop him (6:11-15)

2. Declines to lead unless God calls him (6:36-40)

3. Depends on God at every turn (7:1-8)

4. Turns faith into action (6:25-27, 7:15-22)

5. Uses the gifts God has given him to lead others

6. Gives God glory before and after the battle (7:15, 8:3)

7. Humbly gives others credit that belongs to them (8:1-3)

8. Refuses to establish a dynasty or name for himself after his assignment. (8:22-23)

\**Luke 10:19 Pick up authority given to us and tread upon the snakes and the scorpions*

*\*2 Timothy 2:26; 3:1-9 Come to your senses; going into hard times ahead, what to look for. It's a good picture.*

**I hear the Spirit saying:** The Lord is releasing His Warriors here on earth and His Warriors of Heaven to come and tread together over the power of the enemy. We are coming out of a place of training and preparation and moving into hands on training for battle. We cannot hide out any longer but must be mobilized and moving.

**I hear the Spirit saying** pick up and utilize the authority I have released to you through Christ Jesus to guard and to honor that what is holy, and defend the faith. I am calling on My Gideons, and say it is time to come up out of the threshing floor and into the wine press to receive your new anointing. We are not just fighting for ourselves but for the next generation, and for the Land of the Free.

**2.** I have heard people refer to these last couple months (Oct, Nov, Dec) as Hinge months again in a Hinge Year. We are at another place of transition. He told me to go back and look at what He spoke to me during the "Hinge Months"- Nisan, Iyar and Sivan.

Before I went back and "looked again" at what He spoke in those months to me, I looked up hinge again: Hinge is a determining factor: Turning Point. Describes where we are right now in our nation, a Turning Point. Everything has changed. We have prophetic words here in the Carolinas on "Turning", turning the battle at the gate.

He was speaking to me how the hinge months (Nisan, Iyar and Sivan), were a time of great time of preparation. And now (October, November, December) is a time of active duty. He said to look again. So, I reviewed what He spoke to me in Iyar, back in April, and Sivan, back in May.

Before I read this I am declaring over our senses an awakening and alert. As Susie said, we need to pull this in by faith. We need to take our faith and engage with the Spirit and pull these words in. We are in a time of fullness.

- **Iyar-(April)** Spoke on how angels are activated by our decrees and the word of the Lord. *It was going OUT.*

(In April) I declare that as we are coming out of Nissan, the beginning of miracles, and entering Iyar the natural healing. Then our spirit, soul and body will manifest these things as we abide under the shadow of your wings. I say the characteristics of this month and this Beam of Light will invade our being and invade our nation. It will penetrate into our healthcare system. Let your Light bring a restoration and a reformation to that system. We pull that in Lord!

Let your Beam of Light be loosed over your people, over our territory. Let your beam of light shine down upon South Carolina, down upon North Carolina, and into the nation. Let this light invade the earth realm and be like a hinge of a door that is set in place.

I say your Beam of Light will reform and restore our healthcare system, it will bring revelation for new cures, new discoveries and antidotes. I say it will set people free and it will bring a new strength. The people of God will know Jehovah Rapha and His character, and begin to display Him to all the earth. I say wherever these beams of light fall, the glory of God will be revealed and acknowledged. From this month forward we will go from healing to healing, to miracle to miracle, to cure to cure, in glory to glory. In Jesus name, the One in whom we honor.

- **Here is what the Lord said in Sivan (May)**

I hear the Spirit of the Lord say Mighty are My Names, Mighty are My Ways, Mighty are My Winds. I am blowing on your season of Reset, Rest and Restoration, I am blowing them together this month. Like a three-corded strand I will begin to entwine them for where we are going. I hear the questions in your mind, but the Spirit says My thoughts are not your thoughts, and My ways are not your ways. This is not by might, nor by power but by MY SPIRIT says the Lord. I will begin to blow on you in your place of reset and rest, and begin to pull in the restoration that you have asked for because I am the Man Of War and I am on the move. In My wind is harvest, in My wind is healing, in My wind is strength, provision and revelation. The Lord says this is not a spilling wind but a filling wind, not a wind that would knock you over but one that plants you firmly on your feet. I see boldness moving from your feet all the way up to your head and out of your mouth.

I say Mighty are My Names and Mighty are My Ways and Mighty are My Winds for I am beginning to blow. My wind is blowing out of Nisan, into Iyar and will continue through Sivan. Watch and see where I plant your feet as you walk through this Month. Mighty are His Names, Mighty are His Ways and Mighty are His Winds! In Jesus' name!

### **3. Cheshvan Decrees**

I declare that Cheshvan is a Turning Point for us, for our territory and our Nation! I declare that all of the seeds that have been loosed into our territory up to this point are now tipping the bowls! They are now going from a dormant state to a state of fullness. I say we will now see the Turning Point. I speak and awakening and sensitivity to our senses today. And I call forth the Warriors, the Gideons to come forth, and to let the words of the Lord on true identity go into our innermost being and uproot anything contrary to Truth.

May the Sword of the Lord and for Gideon be loosed over our enemies. I say just as Gideon, the Mighty Warrior, and his army of 300 with trumpets overcame the multitudes, I say let Your Mighty Names, Your Mighty Ways and Your Mighty Winds blow from Heaven and be displayed upon us, displayed upon the Carolinas and upon our Nation and expose any roots of unrighteousness and deception. We will now begin to align with the Light of Heaven! And I say where the Mighty One has established our boundaries for us to tread with our feet, I announce to the enemy that we are preparing our heel to step!

We say press that new anointing out from our feet today, and every place you call us to, and bring in Your fullness in Jesus Name!

=> **Spontaneous Prophetic Song from GZI First Fruits:** He's making us into a sharp, threshing instrument and changing our names. He's causing us to rise with a new identity, in Jesus' name. There's a glory coming out of us that the world has never seen. He's causing us to rise. He's shaping us into who He always intended us to be. He's causing us to rise and realize we are his hands and feet. The revelation of his true identity has to come forth through his people. His true identity has to rise in this nation like never before. Extend your hands and receive it. I'm gonna reveal the real you! **Chuck:** Lift up and look at the bottom of each foot and decree the enemy will not tread on you, because there is glory coming out of every place you step!

**Susie Zeigler:** I release an activation for us corporately - not only receive "be who we are" individually, let that come to fullness - and also realize who we are corporately is manifesting this day, and we are quickly stepping into it, as those who are called as ambassadors of Christ are called together, and bring his Kingdom and will into this territory!

=> **Michael Pham:** As God has been defining us over the past several months, as He has caused us to be in the hidden place where he's been developing us, and causing us to go deeper in His glory, He is about to reveal who we truly are individually and corporately. As the sons of Issachar in 1 Chron 12:32 - they understood the times and seasons and knew how to help Israel go the way they needed to go, God has developed us individually and corporately for such a time as this. In the midst of chaos there is a prophetic sharpening and a revealing of the God who is light within us, who is going to shine himself through us. I sense the God is going to awaken us to see in different areas - whether work, in the streets, in unfamiliar places he would send us - that there would be a heightened awareness of his prophetic heart for a people. That we would be able to go into places in the midst of chaos or darkness and speak the heart and mind of God in a manner that would release breakthrough and freedom. Where individuals or places have been under strongholds or deception, that we would be able to bring revelation of who Jesus is for those who are lost so they may come into the Kingdom,

salvation. For those that have been in places where the sphere has been under the stronghold of the enemy or swept into a place of exchanging the truth for a lie - that God would send some of us into those places and speak the word of God in a manner that would begin to bring truth, so these places would begin to get reformed, reshaped, in the place of seeing strongholds broken and the Kingdom begin to manifest. He's developing a prophetic people for perilous times. Developing a people that will go forth with the shoes of the gospel of peace and reveal His glory, reveal the Kingdom, that those in the world would be able to observe the light and love of the Kingdom of God breaking into their atmospheres, so that they may get set free and really see what it looks like to taste freedom, to taste victory, to experience the righteousness of Jesus. I declare that we have been developed and defined over the past several months for such a time as this. We are a prophetic people for perilous times. And His Kingdom is going to break through for us, and that we would truly be a triumphant reserve that would manifest the Kingdom to people, to spheres, in the streets, in the workplace, and in individual hearts, in the name of Jesus!

**Susie:** You are aware God has an order and position and a plan for each of us to be in the right time at the right place, doing the right thing in Him. Lord we ask you to take what Michael has decreed and activate it in us where it will manifest for your glory.

=> **Worship and Prophetic Exhortation Clip from “Double Portion Harvest Glory”** gathering in Charlotte, with Chuck Pierce on 10/22/18. Enter in with this worship - this is a time word that is a right now word.

LeAnn sings: Let it be on our land. Let it rest on this land. Harvest glory - let it rest on your fields, filling the streets, filling the civic offices. Mandie Smith sings: It's your glory, that's our portion. It's your glory that's our portion! Double, double, double, double! Double, double, double, double!

Chuck: Instruments prophesy. Let's hear that [guitar] sound again. I say the veil of division that has been on these two states is now being ripped off, saith the Lord! I say that same veil of division is attempting to gain a strong atmospheric hold in this nation. I say I brought you here tonight to strip the veil of division and say, “Now God will cause us to rise up into a new movement of power, authority, and glory! Carolinas go first!” Shout it out loud: “Carolinas go first!”

James sings: Rip it away, rip it away, God! Rip it away, rip it away, God! Rip it away, rip it away, God! Rip it away, rip it away, God!

Susie Zeigler: We need to pull this in from heaven, for our heritage! We need to pull this in from heaven, we need to contend for it. Let our worship reach into heaven where we are seated and pull it into the earth realm as we worship!

LeAnn sings: We won't be satisfied with anything but the double, the double! We won't be satisfied with anything but the double, the double! We won't be satisfied with anything but the double, the double, Lord! We contend for what you told us to ask for! We contend for what you called us to ask for! Let it come down like a crown, let it come down. Let it come down like a crown, let it come down. Let your scepter be extended. Reign! Come and reign! Come and reign!

Chuck: Now feel the King extending his scepter to this Queen City. And decree now a new favor is coming on this city that will unlock its voice and cause a movement that dismantles demon forces to come forth, starting tonight. Shout!

### **All Worship out loud together!**

**Julie Turck:** What struck me was as Chuck said about the instruments prophesying, and behind him was a torch fire going. In Judges - the 3 companies blew their trumpets and shattered their pitchers and held their torches in their left hand and trumpets in right hand, and the sword of the Lord for Gideon. When the 300 blew and they made that sound it destroyed the enemy. In that light - going back to Michael talking about the light coming forth out of us, I was seeing the light coming forth, the sound coming forth - obliterating our enemies through sound and movement.

**Stephanie Belton:** 1, 2 Thess - when the Lord passes us the scepter. How Paul was encouraging the Thessalonians that they were doing well, and to watch out for those with false gods. The Lord was showing me we are doing great and need to stay focused and stay on the battlefield, and be girded up like never before because the enemy will come and try to bring discouragement, but the Lord comes for us to have abundant life, to encourage us. Dream about 5 snakes. One snake went over and ate 4 snakes, then big snake ate him. I hit my heel on head of the big snake. His eyes and tongue gushed out, and I pressed harder and his head popped off. I say gird up because the Lord has passed the scepter to NC and the glory of the Lord is upon us.

**Christine Tracey:** ISA 61:7 Instead of your shame you will receive a double portion, and instead of disgrace you will rejoice in your inheritance. And so you will inherit a double portion in your land, and everlasting joy will be yours.

**Susie Zeigler:** Yes we are a double portion. We have a double portion. We pull in that double portion in this time of 2020. 2020 is double hands. We reach both hands up to you and say we won't have anything less than the double portion for your glory, Lord. Bring it in.

**Kent Logan:** The Carolinas are double and have an anointing. That will be passed on to anyone in the nation that identifies and speaks what they speak - they get the double portion too.

**Jai Smith:** As we were worshipping, pulling it down, declaring, I saw wells stopped off all across America, the stopper was popping off and it was gushing out.

**Anne:** We decree a bubbling up of your spirit. In Cheshvan we decree for an activation, a bubbling up. Come forth! An unlocking of anything held up! We are opening that door for the spirit of God in us to bubble up. Just as we heard the sound on keyboard and guitar - incredible.

#### => **Anne Romanello**

1. The weapons of our warfare are divinely powerful. Do you know what your weapons are, when to use them, and what to use them for? We had communion. Among other things, it is divinely powerful in our lives. We have used that tonight, going through communion together. Love is the greatest power the Lord has released. Love. And there is another we have, and I'm going to demonstrate it for you tonight, because I'm bold. I was in a situation where I was going into something that was causing trepidation in me and I needed strength. This goes for us individually and corporately. So I opened the bible and saw Psalm 92. Here's what bubbled up out of me and came out. I'm singing it in the [warring] way I got it.

*You have exalted my horn like that of a wild ox! Fine oils have been poured on me! My eyes have seen the defeat of my adversaries; my ears have heard the rout of my wicked foes! For surely your enemies, Lord, surely your enemies will perish!*

I demonstrated to you a weapon we have. We can sing the word of God in any situation, come against the trepidation in the opposite spirit, and then we become like the strength of what we are singing, because it's in us and coming out of us.

In the month of Cheshvan we may have some occasions individually and corporately to use this weapon. I'm looking at a people who can be bold because the Bold One is in you. You can be like a rock because the Rock is in you. The Strong and Mighty One is in you and He can

stand up in you in this month ahead. We are not those who fear and shrink back, but we are those who go forward together!

2. The timing and purposes of entering and exiting the ark, and the relevance in this national election and inauguration season.

Cheshvan - there was an era shift in Cheshvan in the ark. They entered on Cheshvan 17 and exited 365 days later, one year. Where I'm going is a prophetic word we are in right now. Cheshvan 17 they went in the ark and the rain began. In the ark 365 days. Came out on Cheshvan 27 the following year, into their new beginning. Fresh and new. What a blessing a new beginning is. This is the 8th month. We can all have new beginnings individually and corporately.

Now, sometime around Jan 18-20, 2020 - what came into our country? 1st covid case.

Coincidentally, what's happening a year later, on Jan 20, 2021? Inauguration!

This is also an election month. Cheshvan 17 when they went in the ark. This year in 5781, guess what is happening on Cheshvan 17? That's the evening of the presidential election. Cheshvan 17 begins on the evening of Tues Nov 3. I find that remarkable.

Also remarkable is this prophetic word given through Chuck Pierce on the recent occasion of the RESET gathering Dutch Sheets hosted in Ohio. The timing of the word was "over these next 3 months and 10 days." That goes up to around Jan 18.

Chuck said, *"The army that has been reserved will now begin to move. I saw into a realm - I don't think it was just a spiritual army. I think all of a sudden we are going to start hearing of armies on the move. The intensity of the movement over these next 3 months and 10 days will be something that we must get our feet planted for. Plant your feet."*

Whatever we see happening, we know we war together, not alone, and God will have his way.

The ark is the place of God's presence, where we are pulled aside, with a divine pause from the routines we have been in, where our future is reset for us. It was a supernatural shelter of protection, especially from the judgment that was coming down all around. Does that remind you of the sheltering we have been through since covid entered our country? We all had Passover in our houses this year! Julie, I love that you reviewed those prophetic words and where we have come - this unforgettable year of our lifetimes.

Now coming out of the ark - into a new beginning - also in Cheshvan. Remember the ark was not the destination, it was like the vehicle or housing. But where are we going? We are going

to a stewardship for our future. When we come out of the ark it's for the stewardship of our future.

And, the ark was certainly a place of preservation, and a place of the presence of the Lord. But we are a people who gather in the presence of the Lord and then we are sent out to prosper and to multiply. We are sent to our fields, to our territory, sent as a troop together.

May you be like Ephraim and Manasseh - that's a blessing of prosperity and fruitfulness. The month we are coming out of Ephraim, the month we are coming into, the month of Manasseh - let's embrace that. Manasseh means "forget my sorrows" - yes! A triumphant people who come out together to steward our future, in newness.

In this season, Chuck Pierce has said the Lord is aligning Judah and Ephraim - praise and fruitfulness. And Manasseh means forgetting our sorrow. And it is linked with produce. We have been watching over that buffalo economy word and I want to declare over this group right now a prosperity coming in Cheshvan, into stewarding our future. The people of the Kingdom of God are set apart, and we will prosper in our new beginning together! As we embrace that shift, it will begin to manifest in our lives this month.

When we are coming out of the ark, the Spirit of the Lord is pushing us out - out of our places of sheltering and into our promise, into our stewardship of the future, into fruitfulness, in the name of Jesus!

=> **Donna Souza** This morning I heard the Lord say this would be a FIRST! of crossing over for us. He says this is the day we choose. We say yes, Lord we choose You. We are stepping into the power and unity of his Body. Though we are in separate locations, today we take our place in unity of his strength, his power. We are entering a place of his strength, power, and dominion to be fruitful.

So I release new. I release a new confidence, new wisdom, revelation, and truth. I release a unified way. I release a new legislative unity over this Body in the Carolinas and beyond! Together as one Body we will begin to take dominion! I decree the Light of God is illuminating the eyes of your imagination. It is flooding you with his light until you experience the full revelation of the hope of his calling - that is, the wealth of God's glorious inheritances that He finds in you. I pray you will continually experience the immeasurable greatness of God's power made available through you in faith. Let faith arise! Let faith arise! Let faith arise! Our lives will be the advertisement of his immense power that works within us, in the name of Jesus.

I decree we are going to sing like the battle is over, and we are going to dance like the war is won! The battle is the Lord's and we have overcome!

**Susie:** Receive this impartation and activation!

The thing I heard for this month is “as in the days of Noah.” That is from Luke 17.

When Noah was 600 years old, he had a very interesting year. We think 2020 is an interesting year. In Cheshvan he entered the ark he had been building all that time. Then there was a BIG flood. A year later God spoke to Noah, saying go out of the ark. What stuck out to me: Noah knew the voice of the Lord. He worshipped the Lord. His sheep hear his voice. Listen. Noah was putting God first. Just like we are here today, and every day in our hearts, Lord, we put You first. And the Lord made sure Noah was at the right place at the right time with the right people, doing the right thing.

“Just as in the days of Noah...” There's all kinds of things, noise going on around us. Don't let them be distractions. All kinds of things everybody else is doing. A lot of people don't hear what the voice of the Lord is saying to us, but we do. We are listening.

Gen 6:9 Noah walked, lived, in habitual fellowship with God. That's my takeaway this month. We will purpose to walk, live in habitual fellowship with God. He is drawing us to live in his Spirit, hearing his voice, being guided by the Spirit of truth.

I release over every one of us that we are walking in Your steps, that You are ordering our steps, opening our ears, that we are listening to You. Just as in the days of Noah, we want to be walking and living in habitual fellowship with you, Holy Spirit. Thank you Lord.

**=> Worship Song/ Dance from Glory of Zion: Don't Tread on Me!**

**Julie:** I heard it before when LeAnn was singing *we will contend for - let it come down like a crown*. And then on this song again, the Lord is saying review your “crown words.” Review your crown words. [See “crown words” we are watching over in addendum below.]

**=> Susie Sends Us:** Decree that every place your foot steps this week, you are taking ground, and the enemy is having to move back. Stand up and speak this to the enemy: I plead the blood of Jesus over all of those lies and rumors, whatever you are coming against in the atmosphere, Plead the blood of Jesus. The Lord is saying this, and we will enter in to this! It's our destiny and we will enter in, in this hour!

Susie recommends EmbassyOfZion.org as a resource - especially the First Fruits page. Info, links. This is not a duplication of Glory of Zion's first fruits celebration, but goes along with

that. Thank you for participating with this territorial assignment for the ekklesia. We are watching together, coming together like never before, even as a remnant, to watch over the word of the Lord in this territory, agree, and pull it in.

I bless you all for taking the time to be on today. We are demonstrating to the Lord - you are first in our lives! There is nothing worth more to us than you. Jesus you are first!

Lord, we thank you for this new beginning. We say for this territory this will be a week and this will be a month that your people will start coming together. Even with all the division going on in our nation and other places - we in the Carolinas and we in the 13 colonies will lay down our differences and become a Kingdom of God's people. We will be a demonstration and intercession for this, for Your glory, Lord.

I send us forth as triumphant ones! Be strong and courageous, do not be afraid. For the Lord our God is with us everywhere we go, and we go forward triumphant in his victory!

=> **All Celebrate the Lord!**

~~~~~

=> Addendum to FIRST zoom:

1. **Matthew Gargano** sent in this revelation: The upcoming attacks from Satan on the prophetic people of God will not be what most expect. They will not come from the future; but rather from the past. I kept hearing the words "sweet water" and when I googled this, it brought me to the Scripture found in Exodus 15:22-25:

"Then Moses made Israel set out from the Red Sea, and they went into the wilderness of Shur. They went three days in the wilderness and found no water. When they came to Marah, they could not drink the water of Marah because it was bitter; therefore it was named Marah. And the people grumbled against Moses, saying, "What shall we drink?" 25 And he cried to the Lord, and the Lord showed him a log, and he threw it into the water, and the water became sweet."

I am sensing that the devil will try to connect certain current situations, words, conversations, interactions, and actions with things of the past that people thought were long-since dealt with and resolved; thus attaching or pulling individuals back to those things that they/we were delivered from in an attempt to rob them/us of their inheritance for this new season . The doors that would open this connection to the past (which is a trespass) are offense and bitterness. The people of God have to be so careful to not take up offense of any kind for any reason. We

cannot be like Achan and illegally trespass back into our past defeats or victories, nor take any of the spoils.

I also sense strongly (and I am going to do this) that we should each take a branch or piece of wood, as directed by the Lord, and anoint it per how Holy Spirit leads, and then place it in our dwelling place (per where God will have us to), as an act of faith and visual remembrance to always ask for the sweet water.

## **2. WORDS about THE CROWN:**

**(GZI service 7/5/20)** LeAnn Squier: New mindsets are coming down like a crown on you, around your head. New crowns coming down. New mindsets, new thoughts, new opinions from the Lord. New crowns coming down.

Anne Tate: The Lord says the crown that you tried to wear last season, that you wore to get into place and stand under, this season is the war where you are going to move into the victory of at. And you will stand with the crown over your head. It's a new crown. It does not look like you thought it was going to look. The Lord says now that crown is beginning to take shape can come forth.

Chuck: It's sort of like Miss Congeniality - that movie. At the end - the war over that crown, that's going to explode - what you went through last season. Know this - if you will be submitted properly, you will wear what you need into the future. You will be recognized, you will be favored. Lord, we receive the favor you are putting on us.

LeAnn sings: He says it wasn't about a virus, it was about a crowning. So raise up your broken back, lift up your head. And see the glittering crown coming down.

Above is a photo of a statue that has been at the Charlotte airport since the late 80's/early 90's... Queen Charlotte bent and hunching over, falling backwards...

### **February 18, 2020**

LeAnn: And I began to realize as all of this was transpiring, what is happening is God is healing the backbone of the Body of Christ. All along this pathway up the Coast. And as she stood up,

I saw that the Lord was saying I am restoring the crown, the scepter. I'm restoring the spirit of authority. I'm purging out infirmity, weakness. And I saw it was a call to rule and to reign. To rule and to reign. And so even as the Body of Christ is being restored, and even as that governing anointing is coming back to the Body of Christ. You know who you are now. We know who we are! We know we are here for a purpose! We know we are a scepter in the hand of the Lord! This thing is shifting now! This is shifting in our nation and shifting with you, as we are stepping into that place where we are upright. And we are strong, even in our core and in our backbone being restored. Now there is a governmental anointing that is beginning to rest.

Chuck: You'll look back on this day (2/18/20) and it will be the day of change, where things started shifting. You'll see it on that corona virus. You'll see it in this nation. You'll hear of it, that because they gathered in Charlotte, the Queen City, all of a sudden the crown of God comes down on this land again!

Chuck: Shout we need a move of healing! We need a miracle move of healing! The Spirit of healing across the land - we loose it here in Charlotte NC!

### **LeAnn and Chuck over Charlotte - 10/22**

LeAnn sings: We won't be satisfied with anything but the double, the double! We won't be satisfied with anything but the double, the double! We won't be satisfied with anything but the double, the double, Lord! We contend for what you told us to ask for! We contend for what you called us to ask for! Let it come down like a crown, let it come down. Let it come down like a crown, let it come down. Let your scepter be extended. Reign! Come and reign! Come and reign!

Chuck: Now feel the King extending his scepter to this Queen City. And decree now a new favor is coming on this city that will unlock its voice and cause a movement that dismantles demon forces to come forth, starting tonight. Shout! Bless 2 or 3 people, tell them: We are in a new movement!

### **"Crown City" Chuck - from Winds of Glory 9/5/17**

Now let me remind you of timing. We are in this time where 7 in the word of God is linked with Zayin - it's a sword coming down. But it's not just a sword, it's a sword with a crown. So I felt as we got closer to the shift of the year we needed to be in the Crown City, we needed to be in the Queen City. Because this year represents new authority that we are living in. You've been going through a lot - great testing in the midst of it. New authority, a new sharpness, a new boldness, new triumph ahead. But it also represents the crown of favor coming down. And it

represents where God has determined the crown exists. So it becomes very important that we follow after the Lord, and to come to this city was so key at this moment.

In understanding biblical timing, we start shifting in to new revelation in the 3 weeks ahead but we don't get established in that revelation until April. In the midst of March/ April we start getting established as we cross over in it.

So right now we are at a place where the Lord is saying I am looking at this region. I'm looking at the crown that symbolizes a nation here. I'm looking at how this nation was formed from this region. And I am looking at how you wear your crown in the future. This becomes a very important moment in time.
